for a date certain so that we get some action?

SENATOR WARNER: Any date you suggest, Dick.

SENATOR R. LEWIS: Well, I will support this motion, if you will make it a date certain so that we get some action on it.

SENATOR WARNER: Tuesday of next week. Monday. What day is today, Wednesday?

SENATOR R. LEWIS: How about one week from today?

SENATOR WARNER: Fine.

SENATOR R. LEWIS: Thank you.

SPEAKER: The question is, shall LB 316 be bracketed until one week from today? The Clerk will record.

CLERK: 28 ayes, 1 nay, 20 not voting.

SPEAKER: Are there any communications on the desk, sir?

CLERK: Mr. President, a motion from Senator Marvel to suspend the Rules to allow a public hearing of Appropriation Committee on LB 549 on April 15th and LB 553, also on April 15th.

SPEAKER: The Chair recognizes Senator Marvel.

SENATOR MARVEL: The Appropriations Committee is trying to finish up its work the next few days, hopefully by the end of next week. We have non-controversial items that we are taking up including some decisions we made yesterday. It would be helpful to those people who are interested in Capital construction, if we had a date certain, and we would like to make it Tuesday, start at noon, hopefully we could continue throughout the afternoon and get Capital construction, at least the hearings, out of the way by evening but I guess I need a special request from the Legislature to do this. So I ask permission to suspend the Rules to allow the Committee to hold a Capital construction hearing on two bills, 549 and 553, to help us build recommendations for you and we would do that next Tuesday.

SPEAKER: The question is, the suspension of the Rules. It will take 30 votes. The Clerk will record.

CLERK: 32 ayes, 0 nays, Mr. President. Mr. President, now notice of committee hearing, Appropriations has set bills for April 15th. Mr. President, a communication from the Executive Office. Read.
